

Chanting In Depth

Join us for six sessions on Mondays from 4 to 5.15 pm in person or via Zoom at our house in Tyberton, Herefordshire starting on April 27th and continuing on May 11th, June 1st, 8th, 22nd, July 6th.

The aim is to learn and deepen into a small number of devotional chants drawn from a variety of sources and inspired by the treasury of the world's spiritual traditions.

We will sing the same chants each week and word sheets will be provided.

Everyone is welcome. No special skills are needed, just a willingness to open our hearts to the blessings of these sacred songs.

Mike has been leading Kirtan and Devotional Singing as well as Dances of Universal Peace for over twenty years and will accompany the songs with guitar or harmonium.

Donations are requested and are flexible according to what you can afford. After costs are covered these go to the charity Children of Peace.
