

SACRED SONG AND DANCE

Friends Meeting House, Hall Green,
Hamlet Rd & Stratford Rd, Birmingham B28 9BG

Sat April 11th: 11.00am- 4.30pm

With Karim and Susanne

Come and join us in the joy of sacred songs and circle dances inspired by the spiritual traditions of the world.

This month's theme is THE LIGHT OF UNITY

"The aim of the mystic is to keep near to the idea of unity, and to find out where we unite ~Hazrat Inayat Khan

**"So powerful is the light of unity that it can illuminate the whole earth."
~Bahá'u'lláh**

Our practice is also known as Dances of Universal Peace or Sufi dancing and honours all the world's religions and peoples. As we sing and move together we will help each other to experience Love, Peace, Harmony, Healing and Beauty and to bring these qualities into our lives and the world.

Please book in advance

Note: It is possible to come for just the morning or afternoon
