

# A Feather on the Breath of God

An exploration of the life, visions and wisdom of

## Hildegard of Bingen

with Susanne Wombacher

organised by Herefordshire InterFaith and Cheltenham Inter Faith

Through  
Songs,  
Meditations,  
Circle Dances,  
Stories,  
Poetry  
and Food.

Born in the 11th century  
Hildegard was a  
Benedictine nun, mystic  
and prophet as well as a  
prolific writer, composer,  
artist and healer whose  
earth-centered theology  
has a very relevant  
message for us today.

I am Wisdom. I quickened  
all things with my breath;  
for I am Life, whole and  
undivided; all that lives  
has its root in me. For  
Wisdom is the root whose  
blossom is the resounding  
Word. ~ Hildegard

Susanne is a Christian,  
and a Sufi, musician,  
movement therapist and  
trained leader of the  
dances of universal peace  
who has loved and  
studied Hildegard's life  
and work for many years.

Let us step onto Hildegard's river boat and take a journey.
